

Modern living

Every home has been designed with an emphasis on combined indoor / outdoor entertaining, with open plan kitchens, spacious living / dining rooms and private gardens.

The open plan design creates a sumptuous feel. The kitchen features beautiful bench tops, breakfast bar, built-in appliances and cabinets. The generous bedrooms include built-in or walk-in robes, while the bathrooms enjoy custom vanities.

Town homes

Enjoy beautifully crafted townhomes offering three or four bedrooms with modern amenities.
